

Wat gebeurt er als je ineens een foto van je eigen dochter ziet als zijnde [doodgeschoten in Newtown](#) ?

Terwijl datzelfde meisje, gezond en wel, naast je zit op de bank?

Moeder Cathy Gaubert [roept mensen in paniek op](#) om haar te helpen bij het verwijderen van een foto van haar dochter Lily die op diverse Facebook pagina's en zelfs in een artikel van de Daily Mail is verschenen als één van de kinderen die tijdens de schietpartij in Newtown zou zijn omgekomen.

Dit is het meisje, rechts op de foto, zoals het verschijnt als slachtoffer in een Daily Mail artikel.

Dearest family and friends:
Saturday afternoon I was
took on August 14, 2009,

friends, i need your help!!!!!! i am reposting this from my facebook page: Dearest family and friends: Saturday afternoon I was made aware that a photo I took on August 14, 2009, of Lily on her first day of kindergarten (the photo you see here), was found on multiple Facebook pages (8 that I know of at this time...3:30 a.m.) devoted to the horrific events in Connecticut. Written below the photo was, "R.I.P. to this little 6 year old angel who got killed in this horrible tragedy" and similar captions. This photo, MY PHOTO, of MY CHILD (this sweet, beautiful, alive and well child!), was taken from my Flickr page without my knowledge or consent and is fraudulently being used to garner 'likes' for these pages. Before we finally had it removed from one page, it had gotten 187,487 likes and 6,914 shares. I am so very afraid that I will not be able to 'fix' this. How on earth can I??? Honestly, this is beyond my comprehension. I need your help...all of you! With the vigilance, persistence, and kindness of family, friends, and complete strangers, we have gotten 7 of the pages to remove the photo. There is still one page out there (I'll link to it below) that has ignored my messages and repeated postings. I need you!!!! Please, please, please, please...if you see Lily's photo out there, send me the link, report the page to Facebook, and post on that page!!!! I *never* 'share' things on FB, but I am asking you to share this and help to right a wrong. My heart is breaking for the victims and families in the wake of this horrific mass murder, and to exploit and further victimize other children is almost inconceiveable. much love to you all!!!
